

QuickBooks Online Edition Conversion Instructions

QuickBooks Online Edition (QBO V78)

Mint

Quicken Online

Introduction

As **Silvergate Bank** completes its system conversion, you will need to modify your QuickBooks Online Edition or Mint settings to ensure the smooth transition of your data. Please reference the dates next to each task as this information is time sensitive. To complete these instructions, you will need your **User ID** and **Password** for the new Silvergate Online Banking that was recently re-issued to you.

It is important that you perform the following instructions exactly as described and in the order presented. If you do not, your service may stop functioning properly. This conversion should take 15–30 minutes.

Documentation and Procedures

Conversion – Information only

QuickBooks Online data is stored on Intuit servers in the cloud. Since we update your records with every change, we cannot restore your file to a previous point in time.

QuickBooks Online automatically updates your selected version so you are always on the latest release.

IMPORTANT: QuickBooks Online edition connectivity services may be interrupted up to 3-5 business days after the conversion is complete.

Task 1: Connect to **Silvergate Bank** for a final download by **8/12/16**

NOTE: Please skip to page 4 if you **Manually Import Transactions**.

1. Choose **Transactions > Banking**.

2. In the upper right corner, click **Add Account**.
3. Enter **Silvergate Bank** and click **Find**.
4. Click the link for **Silvergate Bank**
5. Type your **User Id** and **Password** and click **Log In**.
6. If the bank requires extra information, enter it to continue.
7. Choose an **account type** for each account you're connecting.
8. Click **Connect** to download up to 90 days of transactions.

NOTE: If you need a shorter date range, click **Need a shorter date range?** at the top and choose between **0, 7, or 30** days.

9. After your download finishes, click the **New Transactions** tab to see what was downloaded.
